The Chicago Lakeshore Hospital outpatient clinical team is dedicated to empowering our clients and patients, facilitating the change and growth they need to succeed in treatment, and life. Our team of clinicians employ evidenced based treatment models to work with children, adolescents, adults and their families to help them move from a state of distress, dysfunction or pain to one of strength and wellness.

Chicago Lakeshore Hospital's two outpatient centers offer direct admission into programming or follow-up treatment following an inpatient stay. Both centers offer similar programs, though each also has its own, unique treatment options. Please call

- Addictions
- Dual Diagnosis
- Mood Disorders
- Trauma
- Anxiety Disorders
- Bipolar Disorder
- Behavior Disorders
- Attention Deficit Disorder
- Personality Disorders
- Interpersonal Concerns

Additionally, Chicago Lakeshore Hospital's Valeo Pride program offers outpatient services to the LGBTQ community. Our clinical team is trained and experienced in providing culturally sensitive and essential services to these clients. Our clini-
